 NOMEM®
 PBT MONOFIL
 PES cotton
 PES MONOFIL
 POLYAMIDE
 POLYESTER
 POLYESTER PEN
 POLYETHYLENE
 POLYPROPYLENE
 PPS
 PROCON®
 PVC coated threads
 PVDF
 RAYON staple
 RESISTAT®
 SEDURA®
 Sewing threads/bandage threads
 Silk
 SPECTRA®
 STEEL
 TECHNORA®
 TEFLON®
 TEIJINCONEX®
 TREVIRA CS®
 TREVIRA®
 TWARON®
 VECTRAN®
 VISCOSE
 ZYLON®

You find our products in the following branches:

Agrotech

- Horticulture
- agriculture and forestry
- silos
- drainage systems
- irrigation systems

Buildtech

- Concrete armouring
- base constructions for facades, inside removal, insulating materials, isolation
- climate control
- noise prevention, view and solar protection
- security in the construction
- temporary construction
- membrane roofs

Clottech

- Shoes
- windbreak and weather protection
- functional clothing
- protective clothing

Geotech

- Earth and road construction
- scenery construction
- embankment construction
- drainage
- bank and coastal connection
- tunnel construction
- water storage
- pipe renovation

Hometech

- Interior equipment and inside removal
- floor coverings
- solar protection
- upholsterer materials
- fire prevention
- textile-reinforced structural and form parts

Indutech

- Interior equipment and inside removal
- floor coverings
- solar protection
- upholsterer materials
- fire prevention,
- textile-reinforced structural and form part

Medtech

- Hygiene products,
- supporting federations
- hospital textiles
- the first help
- special mattresses

Mobiltech

- Outside and interior equipment for car, ship, airplane, train
- astronautics: Disguising, seats, airbags, seat belts, impulse elements, tyres, tubes, filter systems, acoustics insulating parts
